"In the fourth place, it is a sin."

There are 8,873 saloons in Ohio, an increase of 765 over last year.

All denominations gained 419, 626 members during the last year.

There are in the U. S. 18,146,477 protestants and 132,215 preachers.

The Mt. Sterling M. E. Church, South contributed \$1,487.50 the fourth Sunday in February.

The M. E. Church rally at Wheeling, W. Va., Feb. 25, in behalf of the 20th century thank offering, secured \$11,847.34.

Over \$50,000,000 were given last year to educational institutions in the North, and less than \$1,000,000 in the Southern states.

"MY BROTHERS of my belief in the correctness of the positions which I have hitherto assumed."

There was \$5,148,111 given to foreign missions in the U. S. last year, of which the Methodists (North and South) gave \$1,301,167; the Presbyterians, (North and South) \$984,580; Baptists, (North and South) \$506,723; Congregationalists \$687,200; Protestant Episcopal, \$280,959.

A Liverpool man went home drunk and commanded, with a stern voice, his two-year-old baby to stop crying, but it only cried the more, when he took the baby up and laid it on the fire. Can you pick out a sober man who would do such a deed? Would a raving lunatic at large from the asylum have done it? But such is the madness caused by strong drink.

Three English bicyclists, who spent some time in the walled city of Peking, report that at least 75 per cent. of the female infants were killed, while a majority of those spared, are sold into slavery, the city being famous for its slave girls. It is the custom to throw the bodies of girl babies over the walls at night, and in many instances they are still alive in the morning. It is a common sight to see pariah dogs gnawing the arms of living infants. This is where christianity has never been.

Weak Stomach: Pain in the Chest: Sleepless, Nervous, Irritable; all run Down. Cured by

## Dr. Miles' Nervine.

Nearly every disease is the sign of poverty, either of the blood or of the nerves. When the brain cells and nervous tissues are used up faster than they are repaired, not only the brain and nerves, but every vital organ of the body cries out for help. Headaches, neuralgia, heart disease, nervous dyspepsia and liver and kidney troubles run rampant in the helpless system, destroying whatever strength remains until at last the break-down comes and then Dr. Miles' Restorative Nervine is doing a world of good for such weak, nervous people, whose brain and body are overtaxed, but who may yet be saved from a state of indescribable wretchedness, and restored to lives of happiness and industry. By soothing and strengthening the secretive glands of the digestive organs it facilitates digestion and assimilation,

while the nervous system is rapidly built up again and put to work without confusion, thus bringing all the important organs into harmony and restoring perfect health. "About seven years ago I was all run down with nervousness and heart trouble and was so bad that I had to give up work. I was nervous, sleepless and irritable all the time and although several doctors treated me I did not improve any under their care. Hearing Dr. Miles' Nervine well spoken of for such troubles I commenced using it and grew better from the start. When I had used three bottles I felt that I was cured; but I still keep a bottle of the Nervine on hand, and when I am unusually tired or nervous I take a dose and am all right again. I took Dr. Miles' Nervine and Liver Pills along with the Nervine and found them the best Liver Pills on the market." ALBERT CRANE, Newark, Ohio. Dr. Miles' Nervine is sold at all drug stores on a positive guarantee. Write for free advice and booklet to Dr. MILES MEDICAL CO., Elkhart, Ind.
